## TABLAS CREEK VINEYARD

### 2011 ROSÉ

"Tablas Creek's 2011 Rosé will be long gone by the time Central Coast reviews appear in the next issue, but readers looking for a serious summertime wine will flip over this Mourvèdre/Grenache/Syrah blend. The 2011 is a decidedly big Rosé endowed with gorgeous depth and endless layers of fruit. This is far from an easygoing Rosé, but it will appeal immensely to consumers who appreciate bold Rosés full of true personality and character."
