**2019 ROSÉ PATELIN DE TABLAS** The color is pale, pink-hued shimmering gold. The nose is vibrant orange peel over clay and gravel. The palate entry is burnished dry and tangy berries with a long citrus core that picks up subtle spicy floral notes on the finish. Drink 2020 - 2023. **2019 WHITE WINE, CÔTES DE TABLAS BLANC** The nose flirts with mineral, spice and waxy green fruit. The palate is beautifully focused with precise entry of mineral, mouth-coating yellow and white stone fruit with silky yellow melon and pineapple in the core finishing with soft yellow apple. Drink 2020 - 2025. **2018 WHITE WINE ESPRIT BLANC DE TABLAS** The nose offers dried citrus, notes of allspice and mineral. The palate is supple, waxy green apple. Honey-spritzed Meyer lemon capped with a fine, oily veneer. Drink 2020 - 2025. **2019 BOURBOULENC** The nose is faint resinous yellow fruit with notes of chalk, anise, fresh peach and honey. The palate entry is silky yellow fruit with a core of fresh vitality and balanced acidity. A delightful variety that few have probably experienced. Drink 2020 - 2023. **2019 CLAIRETTE BLANCHE** The nose is sharply focused on bright acid with underlying ripe pear and cut Meyer lemon. The palate entry is silky with mixed blossoms, notes of vanilla and sweet lemon bars that last through the honey-kissed finish. Love the devotion to alternative white varieties at Tablas Creek. Drink 2020 - 2023. **2019 GRENACHE BLANC** The nose is prominently bright, mineral and pineapple with softer underlying yellow citrus and spice. The palate is lithe, polished citrus, verbena and green apple finishing with fuller, waxier fruit and mineral. Drink 2020 - 2024. **2019 PICARDIN** The nose is lean, dry and spiced floral. The palate entry is refreshingly fresh fruit- driven with notes of honey and melon in the core finishing with crisp, focused acidity. Drink 2020 - 2023. **2019 PICPOUL BLANC** The nose is candied citrus with a silky golden stone fruit. The palate entry is lean, crisp and fresh with solid, quenching acidity in the core finishing with lush yellow and green apple and bright mineral. Chill this. Drink 2020 - 2023. **2019 VERMENTINO** The nose is like a racehorse at the gate - the vibrancy of quenching citrus and pineapple is tactile and gives a sense of what the glass holds. The palate entry is sleek, resinous acidity with a lean backbone of lemon and green apple. Drink well chilled 2020 - 2024. **2018 RED WINE, PANOPLIE** The nose offers supple florals, red plum, dried honeycomb and faint East Asian spices. The palate entry is poised and polished showing silky red and black fruits in the core. Harmonious and deftly balanced stone fruit with notes of mineral in the finish. Drink 2021 - 2030. **2018 RED WINE, PATELIN DE TABLAS** The nose is notably earth, mineral and a mix of savory herb along with ripe plum. The palate entry is bright, a touch herbal-green with notes of washed raspberry, subtle waxy red fruit and spice. Drink 2020 - 2024. **2018 RED WINE, ESPRIT DE TABLAS** The nose is powdered plum and strawberry with graphite. The palate entry is lean, mouth-coating red berry, watermelon with a backbone of warm, embracing spice box and loam finishing with licorice, carbon and dried cherries. Drink 2021 - 2028. **2018 RED WINE, CÔTES DE TABLAS** The nose is forward, sticky raspberry, fresh-ground spices. The palate entry is supple red berry and strawberry with a piquant core of bright, crisp red fruit. Focused and fresh. Drink 2020 - 2025. **2018 RED WINE, EN GOBELET** The nose is bright and sticky raspberry with notes of mint, violet, orange peel and blue plum. The palate entry is generously lush with substantial velvet-like texture in the mid-palate reminding of wild strawberry, dried orange. The finish offers berries, wet clay and conifer. Memorable wine. Drink 2021 - 2030. **2018 RED WINE, LE COMPLICE** The nose is dark plum, meat, with whiffs of fresh-cut lavender, violet and line-dried linen. The palate entry is ripe, focused and robust blackberry with a core of lean spice that coats the palate with briary raspberry dryness. Drink 2022 - 2028. **2018 COUNOISE** All fermented in stainless steel. The nose is a bright, refreshing strawberry, cranberry and raspberry. The palate entry is delicately crisp and bright with a sustained core of focused purity and mouth-coating red berries. Drink 2020 - 2023. **2018 GRENACHE** The nose is a clay-like raspberry and red cherry. The palate entry is dry, lean and mouth-coating piquant red berry that carries the wine effortlessly through the finish. One of the more classic examples. Drink 2020 - 2026. **2018 MOURVÈDRE** The nose is savory spice, earth and dried meat. Violets, soaked blackberries and hard blue plum form the palate. It is a dense and fairly compact wine that is yet to blossom. Aged 20 m. in 1200-gallon neutral Foudre. Drink 2022 - 2030.
