MOURVÈDRE

2016

“Brilliant, medium ruby color. The aromatics are very intense offering scents of plum and blackberry with supporting notes of pomegranate, cocoa, and baking spices. The palate echoes the nose delivering a red and black fruits-driven core with flavors of raspberry, earth, and slate. The finish is long and lingering with chewy tannins and tart red fruits. Full-bodied and perfectly balanced with a opulent texture. Made with 100% Mourvedre. A delicious Mourvedre — just as good as their great 2015 Mourvedre”
