
TABLAS CREEK VINEYARD

VERMENTINO 2006

- California project of the Perrins of Château de Beaucastel and Robert Haas of Vineyard Brands.
- Vermentino is traditional around the Mediterranean; in the Rhône Valley, it is known as Rolle.
- Vines imported from France.
- Grown on limestone soils in the hilly Las Tablas district of west Paso Robles, chosen for its similarity to Châteauneuf-du-Pape.
- Organically farmed vineyard.
- All wines estate grown and bottled.
- Fermented in classic style using native yeasts.

A clean mineral nose of lime and pear, with no influence of oak. Flavors of green apple and lime, with refreshing acidity and a lingering finish.
